Memories Of Yesterday

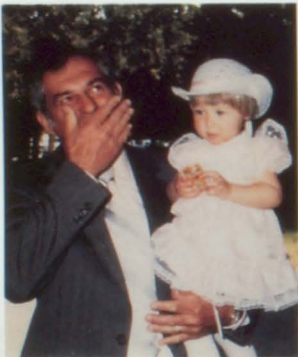

Ann Hapanowicz
Editor-in-Chief 2000-2001
Food for Thought:

"Some people come into our lives and quickly go. Some stay for awhile and leave footprints on our hearts. And we are never, ever the same.- Source Unknown

Memories of Yesterday, the theme of the 77th volume of the De-O-Wain-Sta, is a tribute to the time we have spent together and the experiences we have shared. As we prepare to move on beyond our comfortable and carefree high school days, to other endeavors, we go back through time to reflect on the memories of yesterday. It is still fresh in our minds; the first day of kindergarten, the first date (who can ever forget their first kiss), the excitement of our football games, our first day at RFA, and the stress of the SAT's. As each day comes to an end, we have that many more memories than we did the day before. Some memories we think of fondly, others we would like to forget, but each rests in a special place in our hearts. Do not sit and watch this time go by. Take the initiative and make these the best years of your life. Hold on to these special moments because before you know it, today will be yesterday.

Elizabeth Kimmel's first grade class from Denti took a field trip to the Utica Zoo. Some of her classmates were Todd Jarrett, Sharline Yodice, Jimmy Korpela, Joe Perry, and Hillery Hylla. Can you find them???

STUDENT LIFE

The end of the school day is finally here! Buddy Wade, Brandon Knobloch, Greg Kimmel, Dave Clifford, and Nick Martin are ready to leave.

Smile Girls! Lindsay Chlebus and Melissa Bloomquist will do anything to take a break from their schoolwork.

The Guys Are Staying In! Seniors Jeff DeAngelo, Jeff Lanigan, Simone Amos, JD Torres, Frank Hughes, Art Mosca, and Alex Brown decide to spend a quiet evening at home ... Yeah right! Not when these guys are together!

Anyone See A Prince? Christina Viscelli is waiting for her Prince Charming. Is Mark Hapka the one she has been waiting for?

Do we see a new GQ model in the making? Mike Vergalito, what a peaceful guy modeling his new wardrobe.

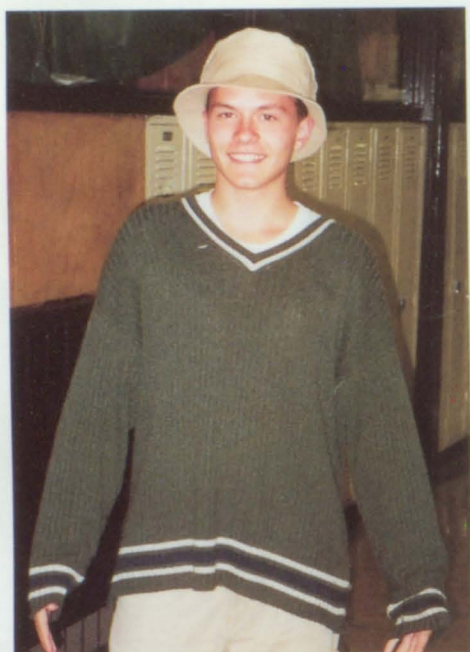

Memories of Yesterday

Moving forward with heads held high, the time has come to say goodbye.

Spirit Week

Is it time for school yet? Still in their pajamas: Beth Landers, Beth Cauvel, Angela Schipano and Joe Christofaro prepare for a hard day of work in the media center.

Fall into the Gap. Scott Coon takes a time out from English class to strut his stuff.

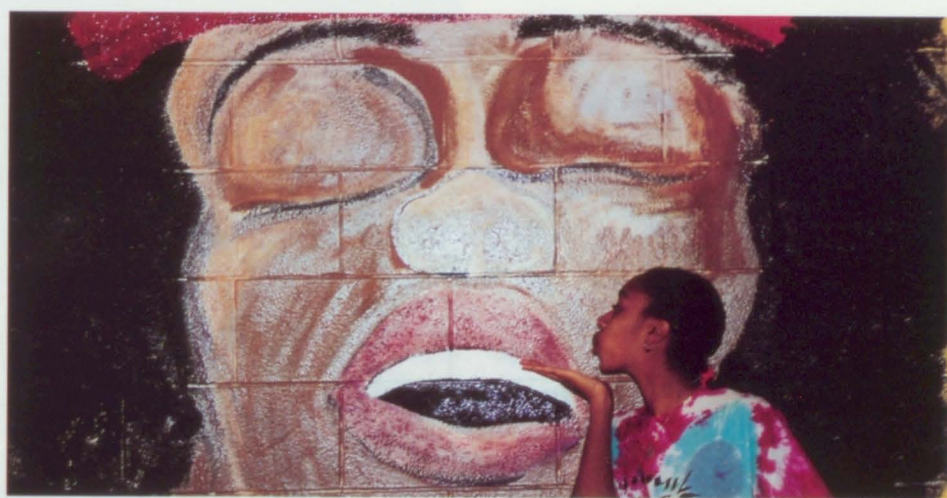

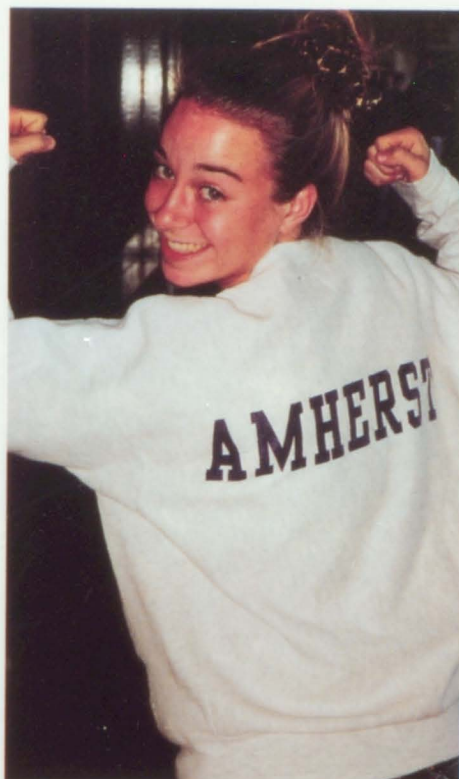

Let's get out of here. Joanne Poppleton, Cristin Smith and Kendra Goodman take a quick pic before they rush out the door.

Catchin' some rays. Taking a break during school, Carla Edwards tries to work on her tan while sporting her shades.

Show me the biceps. Tara Baker flexes her muscles while flaunting her sweatshirt on College Day.

Can't miss her in a crowd. Amber Longamore shows her RFA pride during the pep rally.

Taking it back to the 60's. Jimmy Hendrix and Michelle Daniels make it feel like Woodstock '69 all over again in their braids and tie-dyes.

Smiles will form, tears will fall,
The excitement and sadness of it all.

Homecoming

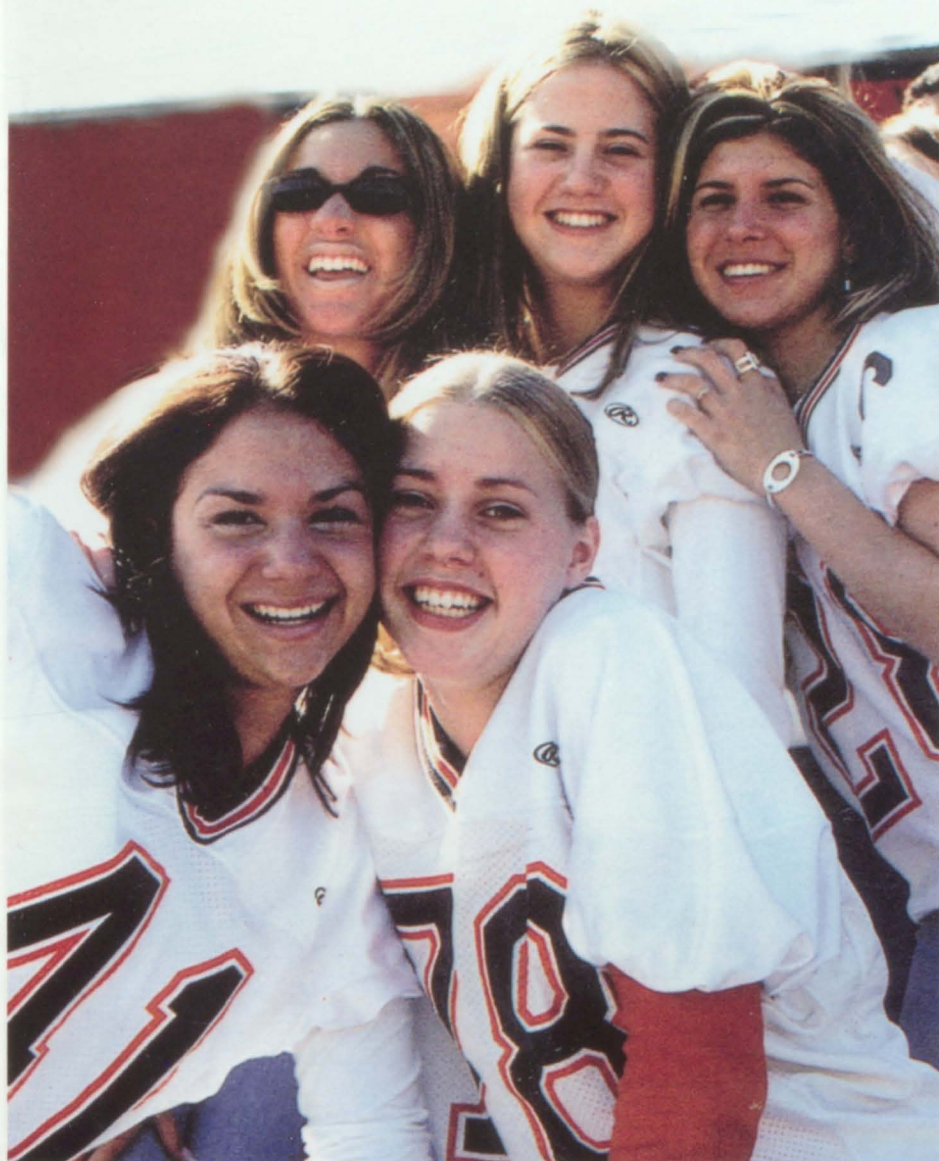

Who's that? Dan Shaver dressed up as a Knight in front of the entire student body at the pep rally. Now that's school spirit.

Ready For what? Frederick Talerico wants everyone at the pep rally to know that RFA is Ready for Anything.

Here it Comes!! The whole student body worked together making this years float. Each graduating class built a letter in "RFA". The seniors got together and made the R. The Juniors made the F, and the sophomores made the A. The float came together very well. Great Job everyone. The football team won the homecoming game against West Genesse, 29-20. Awesome win guys!

Time out! Lindsey Gualtieri, Azura Stedman, Christie Spado, Kathleen O'Neill, and Lauren Cidzik take a time out from their cheering at the pep rally before the big game.

Homecoming Weekend proved to be a wonderful time providing special memories for all. The week was full of spirit with students of RFA dressing in black and orange to demonstrate their school pride. The football game was held on a cold, clear night with many enthusiastic fans cheering them on in spite of the weather. The semi-formal dance was held the following evening in the gym and all who attended had a good time.

How Cute! Jason Rutherford and Jackie Maglio take a second out of their dancing at the Homecoming dance to look cute for us in a picture.

Girls night out! Ann Hapanowicz, Tara Baker, and Anna Burke seemed to have lost their dates and found each other long enough to pose for us in a picture.

It's time to go our separate ways,
Carrying with us the yesterdays.

Time Of Our Lives

Say Cheese: By those million-dollar smiles, it appears that Erin Bielby and Kara Gillen are literally having the time of their lives!

Ready to Boogie: Now that they're done with dinner, Heather Tuttle and Jason McGibbon are ready to hit the dance floor!

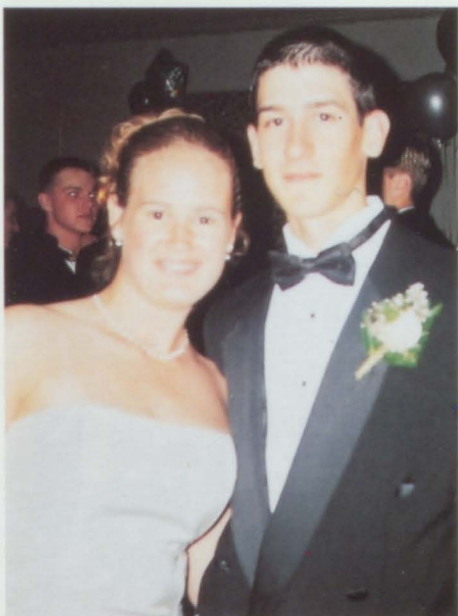

Ladies Man: It seems that Dan Shaver has two pretty ladies on his arm, Nicole Giamporcaro and Danielle Richie. The 2000 Junior Prom was held on May 13, 2000 at Alfredo's Restaurant. The theme was "The Time of our Lives" and the song was "Unchained Melody", the timeless Righteous Brothers' classic. Although the evening started with heavy rain and tornado warnings, everything fell into place. Everybody looked their best and danced the night away, making memories that will last a lifetime.

Hot Stuff: Megan Trela and Jennifer Grau look like a million dollars.

Strike a Pose: These two blond beauties, Megan Scanlon and Catherine Wutsch, will be friends forever.

Picture Perfect: Annie Hapanowicz and Todd Jarrett are a perfect couple.

Triple Trouble: They look so good in their tuxes, it is going to be hard to keep all the ladies away from Greg Keller, Jeff Gifford, and Derrick Hogan.

We know this day was going to come,
our eyes are watered, our hearts are numb.

What Students Do After School.

Chevy Like a Rock! Ryan Panych, Dave Matt, Louis Westcott, and Bruce Sonustun, are trying to check the oil. Good job guys!

Getting Buff Girls? Kim Gardner and Stephanie Merchant chillin' in the weight room.

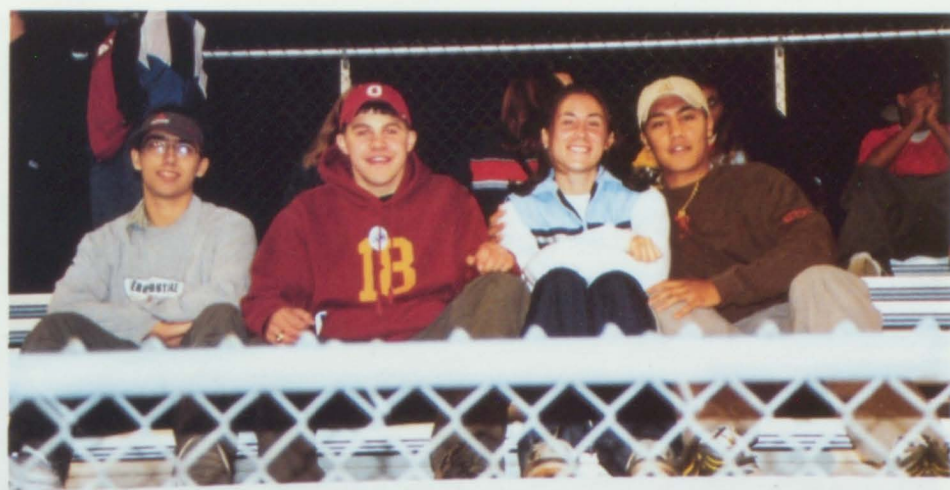

Eating Girls? Nicole Rotolo and Julie Palma, sneaking a snack after their long practice.

Getting Down to Business! Laura Guiliano works on her masterpiece in art.

Luis Can You Lift That? Adam Boulanger and Kiel Santos are trying to get it all together for Luis Vazquez.

Paint A Smile! Tara DeMatteo and Jennifer Richardson paint a picture while wearing a smile.

Oh No! What Did You Guys Do This Time? Ben Knapp, Ryan Amuso, Crystal Taylor, and Ian Steck all hanging out at a R.F.A. home game.

So smile for me
We'll see each other eventually. -Jackie Maglio

Graduation

And so we talked all night about the rest of our lives
Where we're gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same
But when we leave this year we won't be coming back
No more hanging out cause we're on a different track
And if you got something that you need to say
You better say it right now cause you don't have another day
Cause we're moving on and we can't slow down
These memories are playing like a film without sound
And I keep thinking of that night in June
I didn't know much of love
But it came too soon and there was me and you
We'd get so excited, we'd get so scared
Laughing at ourselves thinking life's not fair
And this is how it feels

As we go on, we remember
All the times we had together
And as our lives change, come whatever
We will still be friends forever

So if we get big jobs
And we make the big money
When we look back now
Will our jokes still be funny?
Will we still remember everything we learned in school?
Still be trying to break every single rule
Will little brainy Bobby be the stock broker man?
Can Heather find a job that won't interfere with her tan?
I keep, I keep on thinking that it's not goodbye

Will we think about tomorrow like we think about now?
Can we survive it out there?
Can we make it somehow?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us 'round?

Will these memories fade when I leave this town
I keep, I keep on thinking that it's not goodbye
Keep on thinking that it's time to fly

Clean And Green Volunteers

Honor Society students brave the cold temperatures to help beautify their designated spot on the corner of James and Erie Blvd. Pictured kneeling are John Kaveney, Katie Card, Jason McGibbon, Evan DeGennaro, Heather Gatley, Allison Wheeler, and standing Erin Bielby and James Miller. President, Julia Dixon volunteered to lead the way and organized this group to begin the beautification project. A sign has been erected at the corner to acknowledge the honor society's contribution to the city. Hopefully, future honor society groups will continue with this worthwhile community project.

Educating The Students

Students Against Drunk Driving (SADD) and the Teen AIDS Task Force (TATF) are out to educate the students about the dangers of drunk driving as well as statistics and information about AIDS. Both clubs keep students informed and educated on both subjects. The hope of these groups is to have students make the right decisions in the future.

BONDING

HAS BEGUN
LIKE A FATHER
WITH A NEW BABY.
I EMBRACE AIDS
LOVINGLY INTO MY BODY.
I FEEL THE BLOOD-TO-BLOOD
AND SKIN-TO-SKIN CONTACT WITH
THE VIRUS. I CRADLE, NURTURE,
ROCK, TEACH AND TAKE TOTAL
RESPONSIBILITY FOR HIV. HIV CONTROLS
EVERY MOMENT AND EVERY BREATH. I AM
CONSUMED WITH TAKING CARE OF HIV.

AIDS RESPONDS BACK TO ME BY TELLING ME ITS
NEEDS. COOING, LAUGHING, CRYING. IN THE BEGINNING MAKING
SUBTLE, SIMPLE CHANGES - BUT THE DISEASE PROGRESSES BECOMING
EVER MORE DEMANDING - GROWING, DEVELOPING AND COMPETING
FOR MY OWN NEEDS.

ACQUAINTANCE HAS BEGUN. I EXAMINE AND EXPLORE AIDS. LOOKING INTO HIV'S
HEART AND SOUL, SEEING ALL IT'S BODY PARTS. FEELING, TALKING, TOUCHING THE VIRUS
WITHIN ME. SEEKING THE TRUTH - FINDING NO ANSWERS. AIDS IS COMPLETE AND I
ME. AIDS SEEKS OUT MY FAULTS AND WEAKNESSES. THE OPPORTUNISTIC INFECTION
THE SIGNS AND SYMPTOMS, THE SIDE EFFECTS OF THE MEDICATIONS. THE DANGER I FEEL

Yearbook

Mrs. Cataldo
Advisor

As the year comes to an end, and our days become "Memories of Yesterday," we begin to reflect on the time and effort taken to produce this year's yearbook. We, as a staff, came together to overcome great adversity and make the yearbook one that all will remember. Even though we made Mr. Mazz nervous about not making our deadlines and Mrs. Cataldo thought we would never have enough ads to produce the yearbook, we pulled through like a great team, cutting it close a few times along the way. As the year went on, not only did we progress as an excellent, hard-working staff, we also shared many good times. On behalf of the editors, we would like to congratulate our staff on a job well done. THANKS FOR THE GOOD TIMES!

*Editor-in-Chief and Business Editor

Sheila Maitland and Elizabeth Kimmel
Liz-Last minute ad selling, what a pain ... I still got the \$50 though! Deanna and Shoe, "oof", how many errors were in that junior section?? Deadlines were definitely frustrating, I almost made some of them! Thanks for the memories.
Sheila-Well where should I start? Those ads can drive a person crazy. Mr. Mazz let's talk about fertilizers should we? Tam ... oh my god you're running a drug-store over there, do you have any cough drops-Oh you do! The memories will always be remembered, thanks Mr. Mazz and Ms. Cataldo!

DeAnna Evans and Jackie Shoemaker

Thanks for everything Ms. C and Mr. Mazz.

Kristen Johnson and Derrick Hogan
Kristen-Hey Mr. Mazz say Josephine again! Josephina!
Derrick-Can you proof my pages, I think I messed up!
Derrick- Does anyone know how to crop this picture? I have to go to the library to uh ... make copies.
Derrick-Book was the best, Thanks Ms. C and Mr. Mazz.

BUSINESS

At the beginning of each school year, the staff embarks on the production of the new edition of the **De-O-Wain-Sta**. When the finished product is finally complete, it is easy to forget all of the gracious Rome businesses that continue to support Rome Free Academy year after year. Without their generosity, the publication of the yearbook would not be possible. The support we receive from the community is truly remarkable.

As the yearbook staff takes time to reflect on "**Memories of Yesterday**," and the new century is finally in full swing, we thought you might enjoy taking a look at Rome at the turn of the last century. At the time, our city was a bustling center of commerce and production, taking full advantage of the new advancements the Industrial Revolution brought forth. The Rome Copper and Brass Company helped give Rome the nickname of the "Copper City," and this local institution supports RFA, even today, over one hundred years later.

Kara Gillen, Business Editor

"Twenty years from now you will be more disappointed by the things you didn't do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."

-Mark Twain

Super Sellers. Jackie Mendiola and Liz Kimmel used their charm and determination to sell the most ads in this year's book. Liz won \$50 for her first place effort and Jackie received \$30 as the runner up.

Time To Go

*I see the light pass me
every single day
when the light passes me
Lord, what can I say
Is it my time to go
to that one special place?
Go up to heaven,
and finally see your face.
I don't wanna leave
so can I stay?
I love my friends dearly
So I fall to my knees each day
To ask god to keep me on this earth
for which now is why I pray.
To tell my friends I love them
and I'll never go away.
If I die
everything will be fine
Just think of life
as a big story line.
I'll be by your sides forever and a day
I just ask for your forgiveness
and hope you don't stray.
It's time to say goodbye
to my loving dear friends.
so stand by one another
until the very end.....*

Yes, There were times, I'm sure you knew
when I bit off more then I could chew.
But through it all, when there was doubt,
I ate it up, and spit it out.
I faced it all, and I stood tall.
And did it my way.

I sit alone thinking of you,
And all the things we've both been through.
You are my soul mate, my very best friend,
And I know you'll be there until the end.

Your shoulder to cry on will soon be gone,
Who will be there when something is wrong?
When times are tough you're always there,
It shows how much you really do care.

Although we're going separate ways,
You're in my heart till my final days.
Nothing can make a person see,
How special a friend you are to me.

You understand a side of me,
That no one else could ever see.
You were always there when no one cared,
The best times were the one's we shared.

We've been together through good and bad,
You've made me laugh when I was sad.
No one else could ever be,
As good as a friend, as you are to me.

Our time together is wilting away,
More and more everyday.
But now until the very end,
You'll always be my special friend.

"Friends Forever," you promised
"Together till the end."
We did everything with each other.
We were best friends.
When I was sad, you were by my side.
When I was scared, you felt my fear.
You were my best support-
If I needed you, you were there.

XOX- All Our Love- Your Families- XOX

You were the greatest friend,
You always knew what to say,
As long as we have each other,
Everything will be ok.
As we grow older, things must change
But they don't always have to end.
Even though it is different, now,
You will always be my friend.

The Trio- Always Ready To- Rock 'n Roll

NOT JUST YOUR ORDINARY JOE!

God gave you the gift of life and YOU have worked hard to make that life something to be proud of. Since the day you were born you have been a constant source of joy and pride for us. As you embark on a new journey in your life we offer you some words of wisdom from one of your favorite writers:

"You have brains in your head.
You have feet in your shoes.
You can steer yourself
any direction you choose.
You're on your own.
And you know what you know.
And YOU are the guy who'll
decide where you go."

Friend *Unknown*

A friend is someone who truly cares,
A friend is someone who's always there,
A friend will be there in times of woe,
Talking, laughing, and sometime

letting go,

Times alone we sometimes need,
But coming back we will do indeed,
There may be times we may not agree,
For you are you and I am me,
We may argue because of that fact,
But our power of friendship will

bring us back,

Cause the love in our hearts we feel inside,
Is not something we would ever hide,
So come to me in times of need,

Cause you my dear always have

a friend in me.

Sheila Kay Maitland

She-

We can't believe this time is here.

There are many people
that we meet in our lives
but only a very few
will make a lasting impression
on our minds and hearts
It is these people that we will
think of often and
who will always remain
important to us as True Friends.
Congratulations on your achievements

Josephine Muratore / Desiree Aiello

I am here,
To watch over you,
Give you guidance,
In all you do.
An angel of light,
That speaks through
Your heart,
To pick up
Your pieces,
When you're
Falling apart.
I am your angel,
Your silent alarm,
To guide you,
And keep you,
Safe from all the harm,
I am your angel,
To work and to play,
My light is so bright,
It's guiding your way.
Sent straight from heaven,
To watch you with love,
Holding your heart,
With God's hand
from above.

It's a family kind of thing to keep
Showing that we'll always be there for you.
